GOOD  
THAT'S SET

Since 1975, the Volkswagen Polo has been delighting generations for, well, generations, across the world. Over the years, the much-loved German-engineered hatchback has been redesigned and reimagined several times. It became smarter. It became bolder. It became sportier. In fact, it even took to racing. And with as much ease as it cruises down a city road. It isn't a wonder then that the Polo remains one of the world's bestselling cars. With so much going for it, could it get any better?

Well, it already has.

The latest Polo is a car that lives up to its legacy. And exceptionally well, at that. Its exhilarating power, stunning colours and sporty design make it a car truly deserving of its badge. It's a rare car that makes an all-round impression. A car that gives you that wonderful feeling. So much so, that you'll wonder if anything else feels that good.

# STYLING

## Good things come in good-looking packages.

It's quite remarkable how something that is the sum of many little parts put together looks so effortless. The Polo is styled with many welcome additions to its form. From the sleek front grille to dual-beam headlamps, and body-coloured handles to stylish hints of chrome on the air dam, the legacy of the car lives on. With a slick makeover, to boot.

Complementing the striking contours of the design are body-coloured door handles<sup>7</sup> and electrically foldable side mirrors<sup>1</sup> that come with integrated turn indicators and can be adjusted automatically from your seat.

The dual-beam headlamps<sup>2</sup> in black finish and front fog lamps with cornering lights for additional safety.

Give your ride a sporty spin with bold and trendy R15 'TOSA' alloys<sup>5</sup>.

Keep your cool in the shade and comfort of heat-insulated glass<sup>3</sup> on the side and rear windows.

At the rear, the tail lamps<sup>4</sup> make for a stunning visual upgrade. While the logo stylishly doubles up as the opening lever<sup>6</sup> for the boot.

Sleek, isn't it?

# DASHBOA RD

Features and accessories shown may not be part of standard equipment

## Ready for take-off, Captain?

Inside, the Polo has more tricks lined up its sleeve. Starting with the sporty steering wheel, powers of which are known to transform even the dullest of highways into speedy racetracks. At the centre is an advanced Touchscreen multi-function console, ready to respond to every command of yours. The new <sup>^</sup>Mirror Link display turns your wish of a well-connected car into reality, easily linking your smartphone to the car's display screen.

Take in the leather-wrapped, brushed-aluminium finish, scratch-resistant interiors as you step inside. And that is not even the half of it. You'll find thoughtful touches in every corner of its interior, right down to the dead pedal on the driver's side for added comfort.

<sup>^</sup>Depends on mobile handset compatibility

## You can have your space. And other whims too.

In the Polo, luxury isn't a choice. It's your right. Which is why you will find that sincere attention has been paid to the littlest of details. Before you, we allow only the finest material and latest technology to enter our cars.

The reach and rake adjustable<sup>1</sup> steering wheel comes with multi-function<sup>2</sup> powers that allow you to adjust controls right from your fingertips. To keep you connected, the Polo now comes with new ^Mirror Link that offers easy integration between your smartphone and the car's Touchscreen infotainment system via steering controls and display screen.

You know the Polo is always thinking of you as it lets you make and receive calls using \*Voice Commands. Simply connect your phone to the Touchscreen multi-function console using ^Bluetooth and use the **Command button** on the steering wheel to operate it.

For a more comfortable and safe drive, the sporty hatch now includes a new auto-dimming IRVM<sup>4</sup> that eliminates any glare from harsh sunlight or trailing vehicles behind you. Enjoy long drives on the highway with Cruise Control that effortlessly maintains a steady speed. Keeping you company, is the cooled glove box<sup>5</sup> that lets you enjoy a cool drink on your drives.

Keeping up with today's evolving lifestyle, the Polo also comes with mirror adjustment controls<sup>6</sup>, bottle and cup holders, enhanced trunk space<sup>8</sup>, along with other little tweaks and twists, much to your satisfaction. Not to mention, finely upholstered seats that give the car its royal finishing touch.

Intelligent rain sensors<sup>9</sup> that automatically signal the wipers in case of a sudden downpour.

\*Requires ^mobile phone with built-in 'voice search' and 'voice recognition' feature.  
^Depends on mobile handset compatibility. Phonebook sync and SMS viewer via Bluetooth.

# POWER

1.5L TDI Engine  
90PS (66kW) Power  
230 Nm Torque

# EFFICIENCY

1.2L MPI Petrol Engine

5-speed Manual Transmission

**That 'wind in your hair' feeling.  
Courtesy that breakthrough  
under the bonnet.**

It murmurs. It roars. All on command. Once you rev the engine, you can turn composer to your own tunes. The 1.5L TDI engine is a powerhouse of talent. A 4-cylinder beauty coupled with a 5-speed manual transmission. The engine, also available in a power-studded 1.2L MPI Petrol option, is tailor-made with unearthly precision, so that you get maximum power out of minimum consumption.

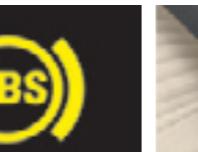

# Safety measures that mean business. For a drive that's all pleasure.

Nothing feels as good as a heady boost of confidence. Just why every Volkswagen out of the factory is a force to reckon with. Trusted, checked, re-checked and rigorously quality-controlled to accuracy. It comes in a high-strength steel frame, with Anti-lock Braking System (ABS). Sit nestled comfortably as you ride in a 100% galvanised steel body that's enclosed by a laser-welded roof. As safe as possible (or probably even more).

Equipped with dual front airbags as standard, the Polo is the safest premium hatchback in its segment.

Rated the Safest Premium Hatchback in its Segment in India

Anti-lock Braking System (ABS)

3-point Seat Belts

Dual-front Airbags as Standard

\*For adult occupant protection. Polo with dual-front airbags as standard. Tests and assessment conducted by Global NCAP as per Latin NCAP 2013 protocols. SIAM 'A2 Compact' Segment classification.

# SAFETY

## Packed with power. Respect. It's the Polo GT.

When a car comes with power this formidable, it shows. Not to mention, the badge of pride it happily wears on its sleek silver grille. The Polo GT is unlike any hatch in its category. With a bevy of segment firsts, this beast is just a 'roar' away from road domination.

1. 7-speed Automatic DSG
2. Stylish Upholstery
3. GT Badging
4. Aluminium Pedal Cluster
5. Alloys
6. Doorstep Garnish

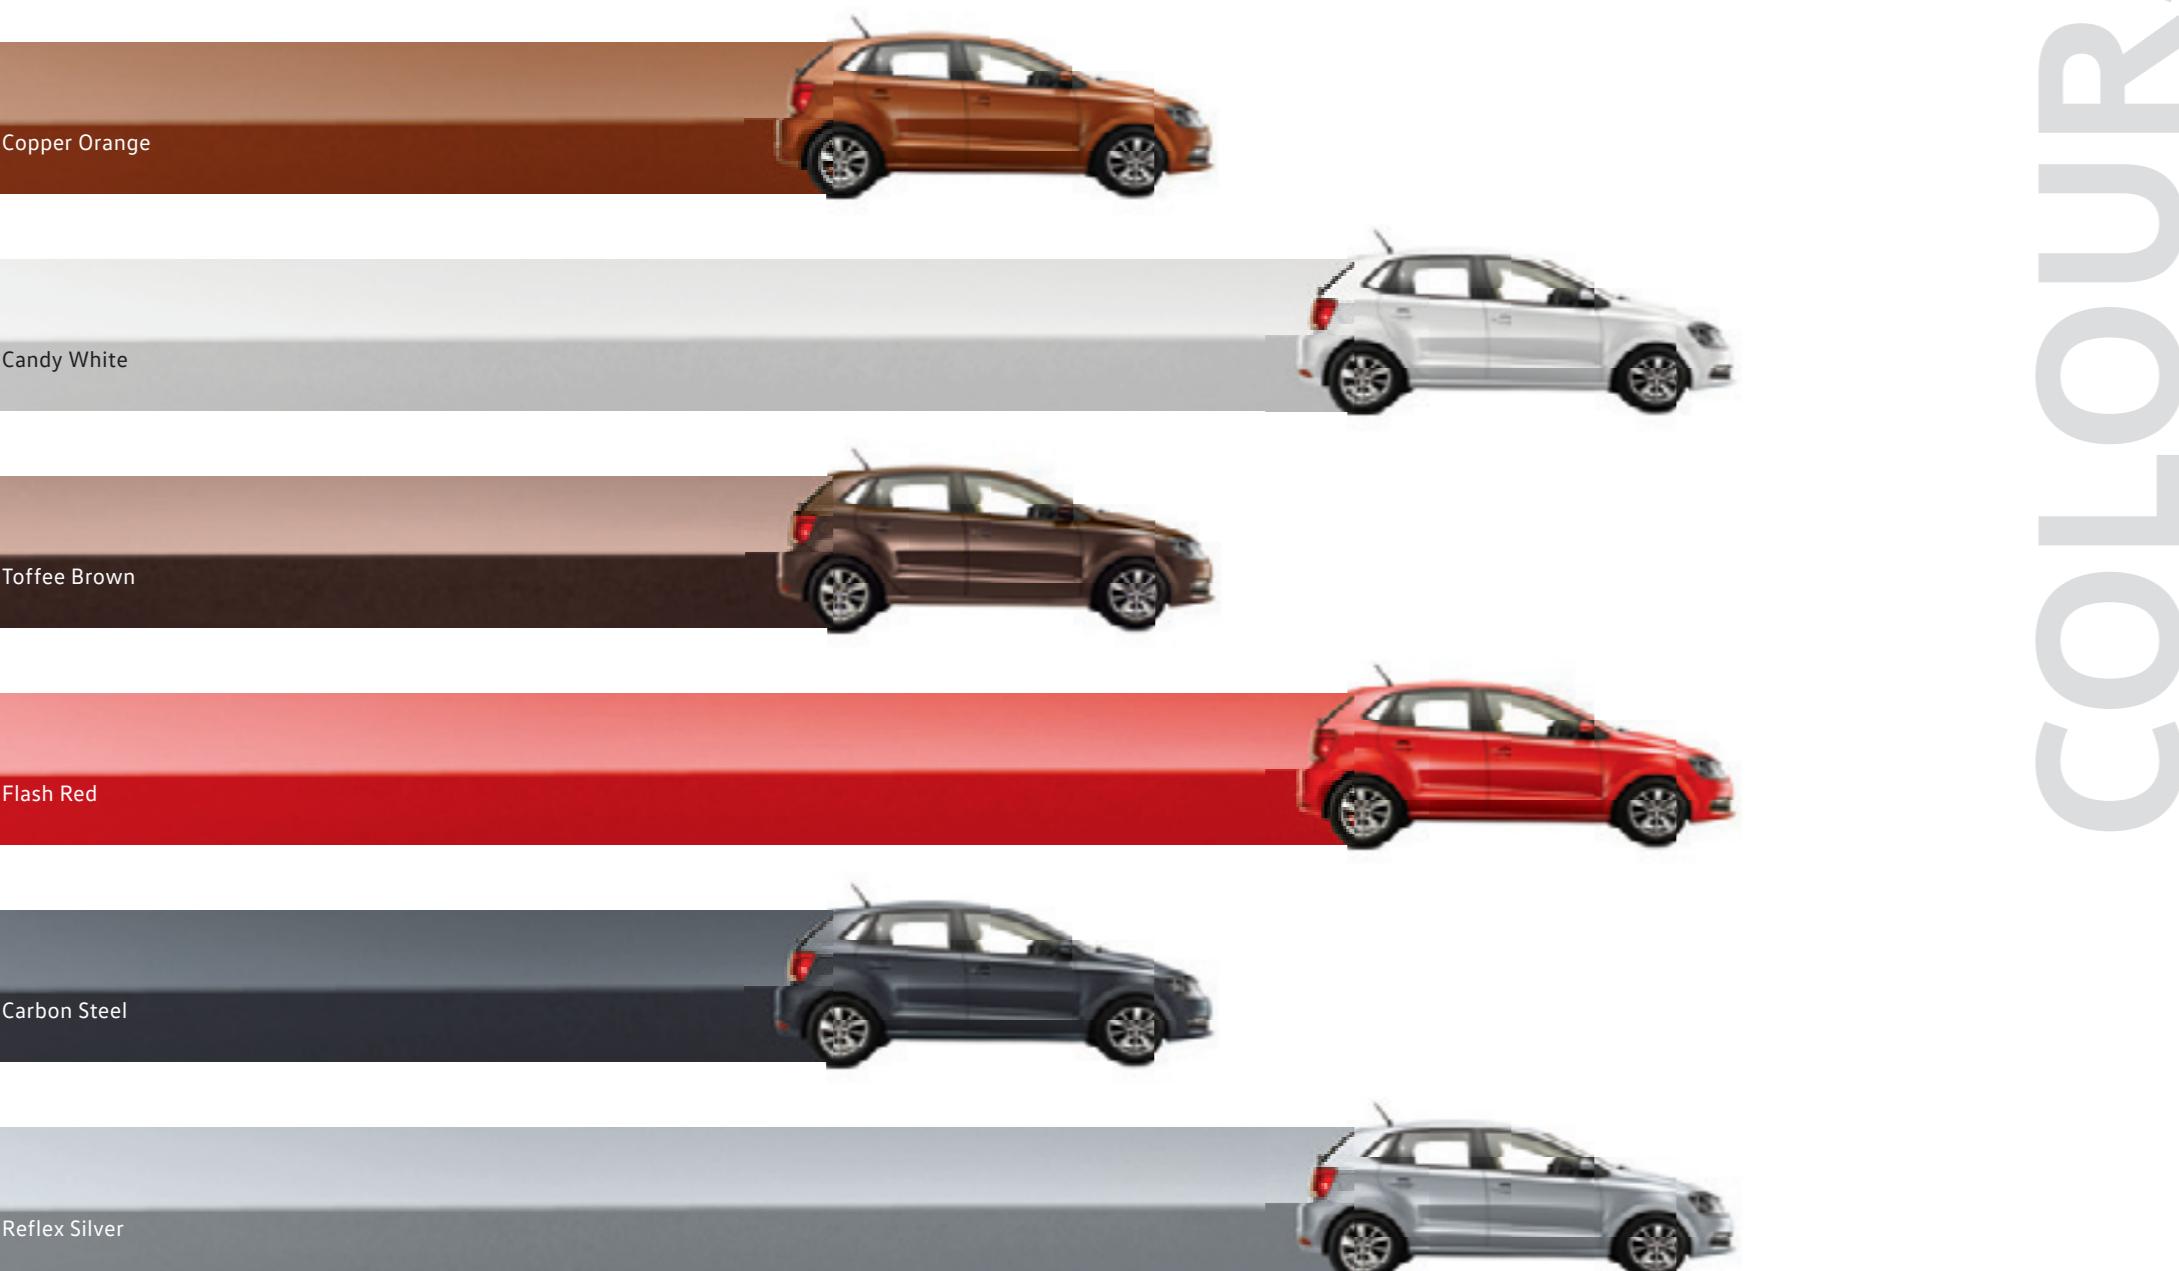

## The Polo got bolder. And more adventurous too.

The bolder avatar of the Polo took an exciting ride recently. And now, it's got more oomph to boast. With stunning design additions, enhanced by thoughtful touches to its sporty contours and lines. Very distinctive in style, yet very Volkswagen.

1. Dashboard, Multi-function Steering, Advanced Touchscreen Infotainment system and new ^Mirror Link
2. Front Grille
3. Silver Roof Rails
4. Side Cladding + Cross Polo Badging
5. Cross Polo Bumper

^ Depends on mobile handset compatibility

## COLOURS

Polo GT available in Flash Red, Carbon Steel and Candy White. Cross Polo available in Flash Red, Reflex Silver and Deep Black.

\*Terms and conditions apply. Actual appearance/colour shade may differ slightly.

## Winning. It's in our DNA.

At Volkswagen, we always play ahead of the game. From pioneering the world's finest engineering to the many innovative firsts celebrated by our cars. That includes the outstanding performance of the 1.6L turbo-charged Race Polo at the World Rally Championship, year on year. Drivers Sébastien Ogier and Julien Ingrassia led the car to its third consecutive 'Manufacturer of the Year' title in 2015. The car even boasts of snapping the 'Overall Champion' title at the Indian Rally Championship 1600. Ah, that good feeling.

## Volkswagen Service for your peace of mind.

**Volkswagen Warranty and Extended Warranty:** The Volkswagen Polo comes with a standard warranty of two years, unlimited kilometres, and can be extended at an additional cost for a further one year and up to 80,000 kms. Or two years and up to 1,00,000 kms from the date of sale (whichever is earlier). Extended warranty can be purchased within standard warranty period only. All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

**3-year Paint Warranty and 6-year Anti-perforation Warranty:** The paintwork of the Polo is covered against manufacturing defects for a period up to three years and the vehicle body parts for a period of six years from the date of sale against perforation caused by corrosion. Naturally, the Polo must be cared for in compliance with the operating instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

**Volkswagen Roadside Assistance:** Every new car is registered for Volkswagen India Roadside Assistance for two years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for either one or two additional years. **24 x7 Roadside Assistance Helpline: 1800 102 1155 / 1800 419 1155.**

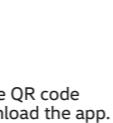

**Periodic Maintenance:** The service interval of your Volkswagen is scheduled for every 15,000 kms or one year. With a one-time free inspection at 7,500 kms or 6 months, whichever is earlier.

**Please note:** The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice. The print process does not allow for exact reproduction of paint finish and seat upholstery colours. If you require any specific feature, you must consult your authorised Volkswagen dealer, who is regularly updated with any change in specifications. Please check model availability and full specification details with your authorised Volkswagen dealer prior to ordering. We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. Terms and conditions apply.

**24 x7 Customer Care Helpline: 1800 102 0909 / 1800 209 0909.**

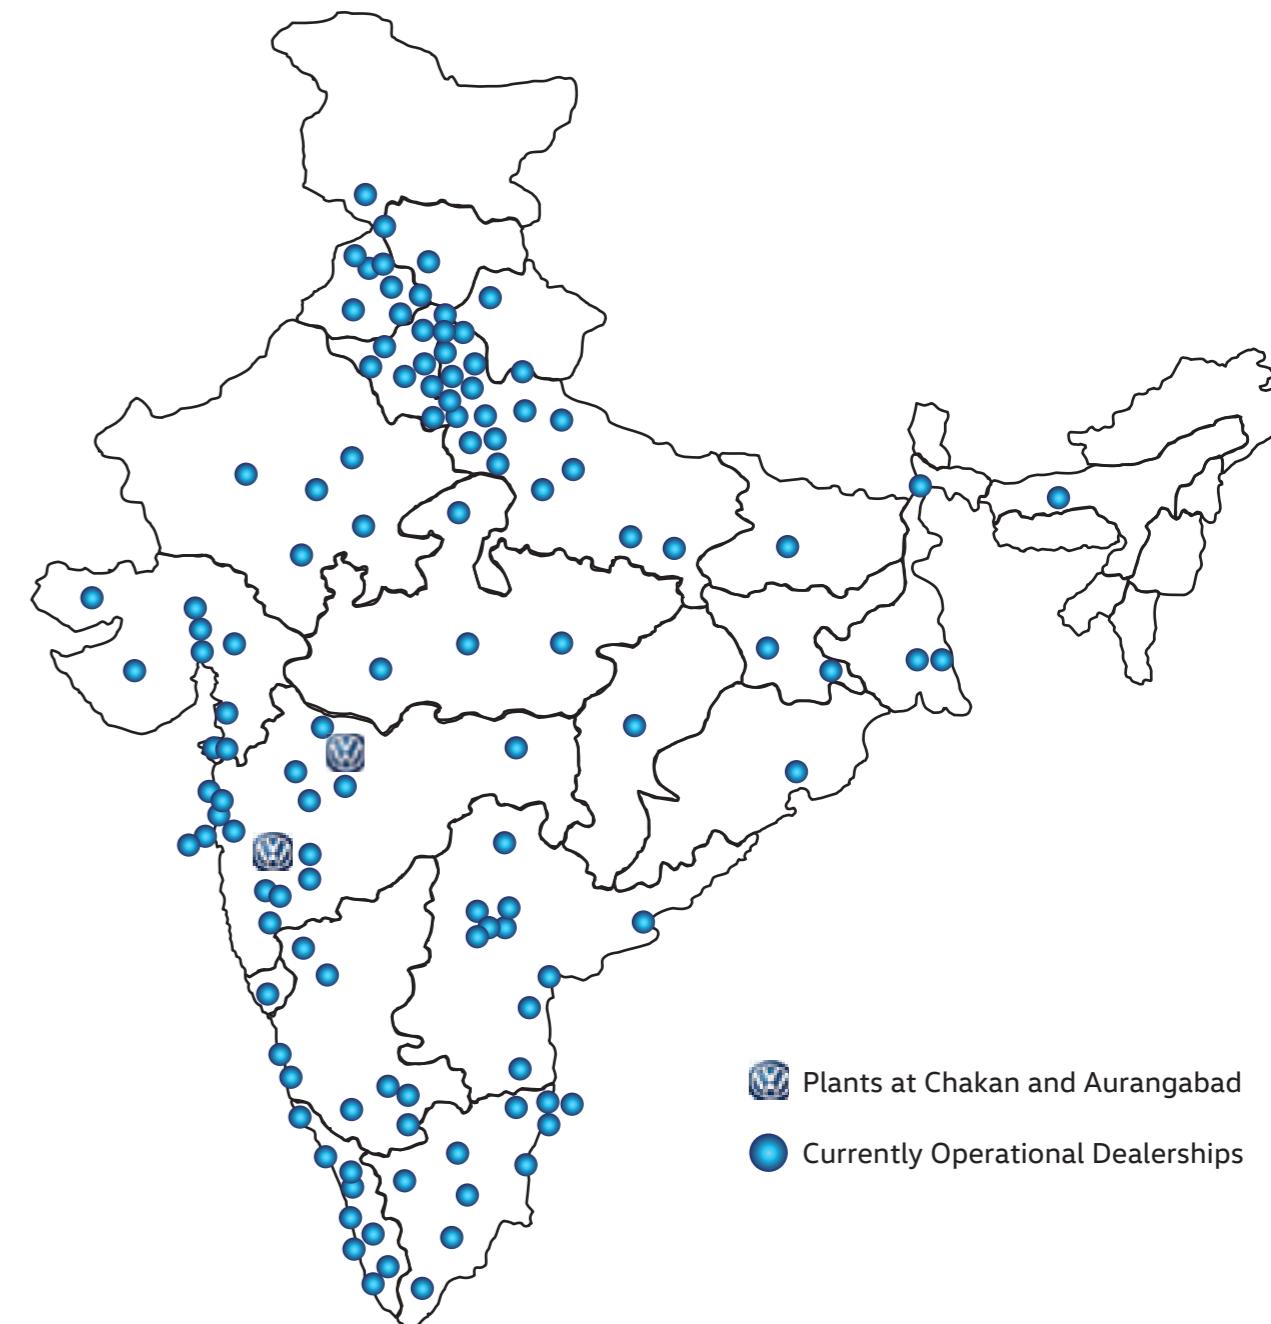

## Volkswagen Service App

**Everything you need to know about Volkswagen. Now on-the-go.**  
The Volkswagen Service Mobile Application is your reliable and smart assistant on the go. You can get information on standard service labour charges, Volkswagen dealer network and explanation of various indicators on the car's dashboard. It enables you to get connected with Volkswagen Customer Care and Roadside Assistance at a click of a button. It also facilitates prospective customers to book a test drive and get information on Volkswagen's India line-up of cars and the latest tips and offers. Furthermore, you can create stories of your journey with maps and pictures. So stay connected.
